

Bombina Glass

The Art of Glass

Bombina Glass is looking forward to seeing you shortly for a creative day of glass fusing.

Class: Glass Pictures: An Introduction to glass fusing

Location: Farris, Clappers Lane, Chobham, Surrey, GU24 8DD

In this class you will create a glass fused glass tile that can either hang in the light or be mounted in a box frame. There are numerous examples and ideas of what you can create from flowers, meadows to birds and seascapes. The idea is to learn about how glass fuses together and behaves in a kiln. You will make a beautiful creation that will be fired and ready for collection after the class.

When you arrive, I will have tea and freshly brewed coffee available. Refreshments, tools and all materials are included. If you have a food allergy please let us know immediately. We will stop mid-way for some refreshments.

Please wear old clothes that can get dirty. We will be using superglue and this may get on your clothes. Please tie back long hair and do not wear open toed shoes as there may be glass on the floor. There is a small dog (Smudge) on site – if anyone is afraid or allergic please let me know.

The cost of the day is £65 and is inclusive of all material, equipment and refreshments. Your place will be confirmed once a payment has been made

Bombina Glass. Farris, Clappers Lane, Chobham, GU24 8DD

Here's what to look forward to:

Introduction	After a short safety talk and orientation, we will go over the activities of the day before everyone gets "hands on". We also take this opportunity to introduce each student.
Session	First we will take a look at some samples of work which can be produced in the class, as well as examples of best practice. We will talk about how glass fuses together and the different effects that can be achieved. By mid-afternoon we will try and get "hands on" so that you can feel a level of achievement. We will load the kiln for overnight firing. Your creations will be ready the next day and delivered.

If you have any questions, please contact me.

Kind Regards,

Caroline Small
